### Behavior in English Class

**Samantha Bert** <samantha.bert@cutland.edu>

May 2 (4 days ago)

Dear

I am  student teacher in English class. I just wanted to email you to let you know about his disruptive behavior. I really enjoy  class because he is full of energy and intelligent, however, most of the time his enthusiasm becomes very disruptive to the rest of the students and interferes with their learning. I've had to send him to the Dean this week, but I do not want to have to do that again because I do not want to take away his classtime. I was thinking that maybe you could talk to him at home because it may help me with class better.

Thank you for your time,  
Samantha Bert
