

Memory Poem

Grandpa I miss you

Why did you have to go?

Wish I could see you again

I'd give up everything for you.

Always made me laugh and happy.

Made everyone attract to you.

You were always there for me

I wish I could go back in time;

To spend more time with you

Or times I should of been with you,

~~or~~ Instead of doing unimportant things.

I was ^{all} only a kid when I was with you,

But I'm grown up so we can do more things.

I really matured since the last time

You saw me and you helped me become

The person I am today

I miss you and I always will.
